The Petchey Academy is a standalone sponsor academy with 1,147 students including a sixth-form. It is named after Sir Jack Petchey, a philanthropist and successful businessman. Our sponsor is the Jack Petchey Foundation. The ethos of the academy was inspired by Sir Jack's maxim "If I think I can, I can", we aim to instil in our students confidence, resilience and a positive mindset that they are capable of achieving their goals and ambitions.

We are looking to appoint an exceptional leader who can use their skills and strategic leadership to define the course and direction for an even brighter future for The Petchey Academy. Key to the Academy's success will be your ability to raise staff and student expectations of themselves while ensuring a broad and inspiring curriculum and working with governors to maintain our solid financial foundations. The academy is committed to inclusion of all students, ensuring that teaching stretches the most able whilst supporting those who need it.
